2016 West Virginia Personal Income Tax Order Form

The Library Commission will be distributing West Virginia Personal Income Tax Forms again this year.

Please review your tax form from last year and complete the order form on the bottom of the page. Main libraries should order for branches as they have in the past. Be sure to include the name of your tax form contact person. This is a big help if we have to contact you about your order. E-MAIL or FAX your order to the Library Commission by December 16th in care of:

Woodie Dorsen
E-mail: woodie.j.dorsen@wv.gov
Fax: 304-558-1612

We anticipate shipping during mid to late December for distribution in January. Again this year, please do not release forms at your library until you hear that they have begun to arrive in the mail in your neighborhood.
