

Librarian Needed in Summers County Public Library

The Summers County Public Library Board seeks an involved and community-minded librarian to administer our library with creativity and professionalism. The successful candidate must be a strong communicator with proven leadership skills and a strong work ethic, and must excel in areas of personnel management, collection development, technology, financial management, grant writing, and policy development.

Summers County Public Library is a county library system with one location in Hinton, WV and a bookmobile that serves the County with a population of 13,298, an operating budget of approximately \$200,000 with 2 full time staff members and 5 part time employees. Summers County is a beautiful rural area nicely located along the New River at the New River Gorge National River.

The minimum educational requirement for the position is a Bachelor of Arts and 2 years of experience in a public library. An MLS from an ALA-accredited university is preferred. Other required skills include expertise in the use of Word & Excel and knowledge of or ability to learn Quickbooks.

The salary range is \$27,000 – 34,000, dependent upon experience, with an excellent benefit package. Interested applicants may request a complete job description from the Summers County Public Library (see contact information below).

To apply send a resume, with three professional references, to Summers County Public Library, 201 Temple St., Hinton, WV 25951 or zieglern@mail.mln.lib.wv.us . Applications accepted through March 31, 2016.

Successful applicant will be expected to start June 1, 2016.
