This year, all letters will be shipped to state affiliates beginning in February. However, knowing that many of states has earlier awards programs, we'll prioritize which states are shipped first. With that in mind, please indicate your tentative awards plans here, with date. All affiliates with an early (MARCH or first week in April) awards program, should indicate this below.

*Tentative awards date* \_\_\_\_\_

**First place Prize:** Each state is responsible for awarding a state first place prize on each competition level. While the CFB recommends a cash award of \$100, states can determine both the number of state awards and the value of the awards, including second, third place and honors awards.

**State Judges:** Each state is responsible for enlisting its own panel of state judges. A list of judges' names, titles and cities are required **no later than November 1**.
